The Weather Channel
is now available in
High-Definition.

Tune in to The Weather Channel (ch. 362) for the weather forecast and information you need to plan your day. The Weather Channel is now available in HD.

All programming subject to change at any time. Lineup effective 4/18/08. ¹To access DIRECTV HD programming, HD Access fee (\$9.99/mo.), a DIRECTV Slimline Dish, along with a DIRECTV HD Receiver, HD television equipment and a qualifying programming package are required. HD Access fee included in PLUS HD DVR package. ²Eligibility for local channels based on service address. ³XL may include frequent explicit language. ⁴YES Network available as a local regional sports network package in CT, NY, and in parts of NJ and PA as determined by ZIP code. Portions of YES Network programming available in the SPORTS PACK premium package in the remainder of DIRECTV service areas. ⁵Check directv.com/hdchannels to see if HD locals are available in your market. If HD locals have launched in your market, they can be accessed on your standard local channels. Distant broadcast network feeds are available only to customers who cannot receive an over-the-air signal from a local TV station and to customers who get waivers from their local TV stations. ⁶Blackout conditions and other restrictions apply. ⁷The DIRECTV System has a feature which restricts access to channels. This channel lineup is also published on our website at directv.com/channels.
